PROGRESS ON HARNESSING 6 TRANSFORMATIVE ENTRY POINTS

ANALYZING COUNTRY PROGRESS FOR THE SIX ENTRY POINTS

Quadrant analysis

- **Income is not a silver bullet.**
- Countries with special needs can progress relatively quickly
- **Last-mile challenges** - slow progress in the "last-mile" and complex issues, even for advanced economies
- There are **strong synergies** in performance across entry points
- **What can we learn from the fastest-moving countries?**
