The Workshop is being organized in response to the expressed need for capacity development requests received from NASC.

The Workshop is based on UN DESA's [Curriculum on Governance for the Sustainable Development Goals](#)

## Objectives

**Aims to promote a critical understanding of sustainable development issues, enhance governance capacity, and strengthen public servants' awareness of their active role in achieving the SDGs and Nepal Vision-2100**

**Enhance the capacity of local governments to accelerate the implementation of the 2030 Agenda, Nepal Vision 2050**

## Thematic Focus

### Effective National to Local Public Governance for SDG Implementation

## Expected Outcomes

A common understanding of the **Principles of Effective Governance for Sustainable Development** and their application in institutional arrangements at all levels to achieve the shared vision for the people and the planet as embodied in the 2030 Agenda for Sustainable Development

Enhanced understanding of whole-of-government approaches for strengthening **vertical coordination and aligning national to local planning to accelerate SDG progress.**

Gained an understanding of how to promote a **whole-of-society approach** for national to local planning to ensure effective stakeholder engagement in public governance and leave no one behind.

Improved effective **national-to-local coordination** and monitoring, evaluation and reporting for SDG Implementation

Developed an **action plan** for effective governance mechanisms to deliver the 2030 Agenda, Nepal Vision 2100
