

**Empowering the Youth to Build Resilience in Society  
in the Context of Pursuing Sustainable and Resilient Recovery from COVID-19**

# **Engaging Youth in Leveraging Digital Tools to Build Resilience in Societies Against Future Shocks and Disasters**

Jaewon Son  
Capacity Building Lead, Youth4IG  
November 2020

# COVID-19 and Youth

We all understand: **COVID-19** has a significant impact on youth

**How** is the pandemic impacting youth?

Safety, accessibility, education, employment, ..

# The Future Global Shocks

## VUCA World

**V**olatile, **U**ncertain, **C**omplex, **A**mbiguous

## Global Megatrends

**Rapid Technological Development**

**Demography**

**Shifting Powers**

**Environmental Pressures**

# Building Resilience

## Building Back Better

An approach to post-disaster recovery that **reduces vulnerability** to future disasters and **builds** community **resilience** to address physical, social, environmental, and economic vulnerabilities and shocks (GFDRR, 2017)

## Resilience

The **ability** of a system, community or society exposed to hazards to **resist, absorb, accommodate** to and **recover** from the effects of a hazard in a timely and efficient manner (the United Nations, 2012)

# Korea's Digital New Deal

- Integrating of data, network and AI through out the Economy
- Fostering the “Untact” industry
- Digitalization of Education Infrastructure & Social Overhead Capital (SOC)

- More business & job opportunities with 5G & AI
- Tech-based education infrastructure

# Youth & Digital Technologies

## **Increased awareness of risk & benefits of digital technologies**

- Political, socio-economical, and cultural impacts of digital technologies – responsible &
- 73% of women have been exposed to or experienced violence online vs Make voice heard
- IoT security & privacy issues vs strengthen disaster prevention management

## **Capacity building programs**

- Training youth to know how digital technologies can enable them to make a social change in their communities

## **Bringing the “digital native” youth into digital policymaking**

- Facilitating digital and policy dialogues including multistakeholders
- Identifying the gaps between existing decision-making process

- Foster **youth participation & multistakeholder policy-making process**
- Youth advocacy
- Building youth network
- Capacity Building/Outreach/Policy

- **Knowledge sharing**
- Mentorship program, community talks, and articles
- **Collaboration** with int'l/gov/non-profit organizations
- Virtual events & webinars
