Feedback on the work of the Schools of Public Administration

- *What have you been doing in the past year in terms of new training courses for the SDGs?*
- *What are the new training demands? What challenges have you faced over the past year, especially in the COVID-19 pandemic situation?*
- *What toolkit you would like to pilot next year?*

Open discussion

- *What actions can be taken to disseminate widely the Curriculum on Governance for the SDGs at all levels?*

- *How do you intend to use the training material developed?*
- *What other training material is necessary in your view to advance implementation of the SDGs?*
- *What would be any additional suggestions on the Curriculum (in regard to contents, learning methodology, delivery modality, etc.) to ensure that it can better address your new training demands and challenges, especially in responding to COVID-19 and preparing for the post-COVID-19 era?*
- *What new areas for development should be highlighted to build back better?*

Next steps and The Way Forward
