- **Policy level**
- *Design level*
- *Implementation level*

**United
Nations**

Department of
Economic and
Social Affairs

Inclusive recovery and resilient rebuilding – what can institutions* do

- *Ensure that economic recovery programs are inclusive of persons with disabilities and their families.*
- Mobilize substantial domestic and international financing to protect and enhance fiscal space for health and social protection
- Ensure continued/scaled up and coordinated delivery capacities of social protection and humanitarian crisis response programmes

United Nations

Department of
Economic and
Social Affairs

Continued...

- Ensuring that *all public information, crisis response measures, health and social protection interventions are inclusive, accessible* for all and do not discriminate against persons with disabilities
- *Ensuring development and continuity in access to quality care and support*, including through financial assistance to service providers.
- *Removing any financial barriers to access health care*

* government, donors, service providers, development partners, civil society organisation, private sector, multi-laterals etc
